*One Fact is Worth Twenty Arguments, and a Fact is that the most
Planning and Remarkable*

In the known World is none in this Town

Already more Two Hundred Thousand have paid a Visit, among whom have been the Clergy, Nobility, and Gentlemen of the highest Medical Faculty your Town can boast of, they all agree that these 2 Children are the most astonishing freaks of nature ever shown to the public.

With the Chinese Pyramid of Olimes, and Small Hoops; he is then shown by his own Mother, who gives a full account of his life.

Also the World's Wonder, the Pioneer

A Child not Five Years of Age, who Carries Two 50 Pound Weights by a small portion of the Hair of her Head without the aid of her hands, and One 50 Pound Weight by her Teeth. She is pronounced by all that have seen her to be a Living Miracle, and stands a Challenge to the World.

ALSO A MONSTER

CAPTURED IN YORKSHIRE

THE ENTERTAINMENT WINDS UP WITH

The Star Troupe Artists, who has Performed in all the principal Music Halls.
